Principal's Message

Dear Students,

Greeting and best wishes to all of you. I extend a very warm welcome to all the students aspiring to join our prestigious Institute for their undergraduate studies.

Learning is a never-ending process. The involvement from both teacher and taught is the absolute necessity to create an environment of better learning. It is necessary for both to have absolute involvement and commitment to create intellect which will benefit both giver and the receiver.

Our strength lies in a team of highly qualified and experienced faculty supported by an equally dedicated staff. This will take the college to newer heights and putting it on the world map. At the college we believe in not only text book teaching and reading but also practical exposure through Clinical Practicals, Research, Organising Workshops of both National and International Importance so as to put both our students and faculty on the world map.

We look forward to have you as a part of our Chanchalben Mafatlal Patel College of Physiotherapy, Gandhinagar. May this journey of your life bring you more cheers and you achieve greater heights in your life.

Principal

About the Trust

Sarva Vidyalaya Kelvani Mandal has been established in the year 1919, by a Philanthropist "PujaChhaganbha". The basic principle preached by him "KarBhalaHogaBhala" has been the driving force for the growth of the education activities managed by the trust. Having started with just 6 students then, today the trust manages and runs various schools and colleges both at Kadi and Gandhinagar with more than 36000 students being educated. Of these 36000 students, around 5800 students both boys and girls stay in the hostels being managed by the trust.

The trust is being nourished and managed by its alumni who occupy respectable positions in the society. Many of its alumni have settled abroad and they shower in donations to benefit the existing as well as prospective students for providing them with better facilities for study as well as stay.

Initially started in the year 1919, the trust currently has Land of around 165 acres together at Kadi and Gandhinagar. At Kadi the trust has a land of 137 acres where in various schools, colleges are being run and a Gaushala which helps in nourishing Children with milk with around 125 cows. At Gandhinagar the trust has a total of 28 acres of land where in various schools, colleges including both technical as well as non-technical and hostels and staff quarters are existing.

The trust has always been in the forefront for provision of value based education to all the students irrespective of Caste, Creed, Religion etc. Keeping in with the main motto "KarBhalaHogaBhala" the trust has surrendered all its management quota seats in all the courses being run by it and the admissions to the various courses are strictly conducted on the basis of merit through centralized admission process. At present the trust runs various schools from Pre Primary to Higher Secondary level both at Kadi and Gandhinagar as well as College both technical and non-technical both at Kadi and Gandhinagar.

Sarva Vidyalaya Kelvani Mandal – Kadi Campus at a Glance

1) Having started in the year 1919, the trust slowly and steadily made its presence felt in the society and the efforts of "Chhaganbha" have not gone waste with the development of schools at Kadi. The campus grew from 9 acres in 1923 to 137 acres by 1934 with the acquisition of further land for the purposes of establishing Schools, Hostels as well as a Gaushala. In the year 1960 SarvaVidyalayaKelvani Mandal set its foot into providing technical education with the establishment of an Industrial Training Institute at Kadi. The trust went on to establish Science College viz., Pramukh Swami Science College in the year 1965 which later was upgraded into Science and Arts college viz., Pramukh Swami Science and H D Patel Arts College. This has led to the growth of education activities in and around Kadi and the trust has also started various other colleges leading to degree and post graduate degrees like BBA, BCA, MBA, MCA, PGDCA, B. Ed, PTC etc.

Sarva Vidyalaya Kelvani Mandal – Gandhinagar Campus at a Glance

The trust has been striving hard for the development of education and education related activities since 1919 and looking into this the Government of Gujarat has invited SarvaVidyalayaKelvani Mandal to set up education facilities at Gandhinagar in 1976. At that time the trust has been allotted a land of 13 Acres for establishing schools for the benefit of the population staying in and around Gandhinagar. Since then the trust has set up many educational institutions and hostels which have proved to be the backbone of the development of education in the state of Gujarat and currently more than 25000 students are being educated at Gandhinagar of which around 3500 students both boys and girls are staying in the hostels.

With a need to spread education further and develop a kind of professionalism in the young generation of Gujarat, the trust has started the first self financed college viz., K B Institute of Pharmaceutical Education and Research offering B. Pharm programme with the approval of AICTE in the year 1995 for which Government of Gujarat has allotted land admeasuring 20,000 sq.mts i.e., 5 acres. The journey of SarvaVidyalaya continued further with the establishment of S K Patel Institute of Management and Computer Studies offering MBA and MCA programmes in the year 1998. The trust went on to establish other institutions offering BBA, BCA, B. Com (English Medium), B. Ed, PTC and other vocational courses.

In the year 2005, the trust has established an Engineering college for which Government of Gujarat has allotted a land of admeasuring 40000 Sq.mts. in Sector 15 of Gandhinagar. In addition to this in the year 2006, the trust has also established a Polytechnic College viz., VPMP Polytechnic, Nursing College in 2008 and so on.

To achieve the above objective the trust has set up a University under the name and style "Kadi Sarva Vishwavidyalaya"

- 1) To provide need based education and develop courses of contemporary relevance.
- 2) To be a University of excellence by providing research based activities which would foster higher economic growth.
- 3) To provide education to all irrespective of caste, creed, religion etc.
